

Achroma.AchromaDatabaseController.
OnAppleLogin

```
graph LR; A[Achroma.AchromaDatabaseController.  
OnAppleLogin] --> B[Achroma.AchromaDatabaseController.  
GetAppleCredentialState]; B --> B;
```

The diagram illustrates a sequence of operations. It begins with a white rectangular box containing the text 'Achroma.AchromaDatabaseController.OnAppleLogin'. A straight blue arrow points from the right side of this box to a second, gray rectangular box. This second box contains the text 'Achroma.AchromaDatabaseController.GetAppleCredentialState'. Above the gray box, a curved blue arrow starts from its top edge and points back down to the same box, indicating a self-call or a loop.
